A Canadian-born DJ based in Malta, BRK×BRK has a deep repertoire of tracks shaped by musical experiences around the world, moving crowds from Ibiza's party scene to the dusty dance floors of Burning Man.

Bringing the funk to the house, and blending groovy vocals, disco warmth, and high-energy beats into Tech, Afro and Melodic House, BRK×BRK creates the perfect moment to get lost on the dance floor - no matter the time or place.
